Celtic Malts Reliability Trial & Classic Car Tour
Celtic Malts Classic Car Tour 28th April to 3rd May 2008
Additional Supplementary Regulations
as at 1st October 2007**

1. Announcement. The Celtic Malts Classic Car Tour will take place from 28th April to 3rd May 2008. It is not a motor sporting competition. It is promoted by HERO - the Historic Endurance Rallying Organisation. Its use of the public highway in the United Kingdom is authorised under the statutory Motor Vehicles (Competitions and Trials) Regulations 1976 as "an event in which, as respects such part of the event as is held on a public highway, merit attaches to a competitor's performance only in relation to good road behaviour and compliance with the Highway Code".

2. Provisional Programme. Pre-event formalities, the start, daily restart locations and finish formalities will be similar to those of the Celtic Malts Reliability Trial, although times may differ and will be notified.

3. Officials. *Clerk of the Course*, Peter Nedin; *Event Secretary*, Lynn Nedin. Other officials may be nominated.

4. Eligible Participants. Invited crews of two or more, in cars made before 31st December 1981. No competition licence is necessary. All crew members must be members of HERO - subscription included in entry fee for new members.

5. Entries. The entry fees, and the details of what the fees cover, are as for the **Celtic Malts Reliability Trial**, section 7.1.

Refunds will be paid in accordance with Article 7.2 of the Additional Supplementary Regulations of the Celtic Malts Reliability Trial.

If the event is abandoned or postponed for any reason (including too few entries on the event or on the associated Reliability Trial), at any time, the Organisers reserve the right to retain a proportion of the entry fee to cover administrative costs incurred to that point.

6. Route, Navigation and Driving Behaviour. The full route will be about 1000 miles mainly on A and B class roads. Detailed, but simple route instructions, requiring minimal navigation skills, will be provided with a comprehensive map book. However, it is not compulsory to follow this route. On one particular day entrants who wish to learn more about Reliability Trials will be provided details of the route being taken by the competitors on the Reliability Trial on the understanding that this route is travelled at a different time.

Touring notes will also be provided, drawing attention along the way to places of interest, and to historic and other attractions close to the route. You are free to visit as many of these as you wish, within the constraints of the general time schedule.

No crew member may drive for more than 200 miles without rest or relief.

Participants must at all times comply with the requirements of the highway and traffic laws in force, and drive in a responsible and considerate manner. Failure to do so may result in an official warning or in exclusion from the event.

7. Checkpoints. There will be Checkpoints at the start and end of each day's run, and at the officially designated halts. Participants will be issued with Control Cards, which will be stamped and/or signed at these locations.

8. Awards. As this is not a competition, there are no prizes as such, but a Class One souvenir award will be given to each crew visiting every Checkpoint while it is open; and a Class Two award to each crew starting and finishing each day's run.

Other awards may be given to the oldest car to complete the route; and the most meritorious participant.

Participants are eligible for the Scottish Malts Charity Shield, given to the crew on either of the Trials or Tours raising the most for charity.

9. Concours d'Elegance. Cars entered in both the Celtic Malts and Scottish Malts Classic Tours will be judged at the start, during the event and at the finish for originality, level and appropriateness of equipment, attention to period detail and style. Marks will not be lost for being travel stained. Only finishers are eligible.

10. Insurance. Participants are responsible for ensuring that they are fully covered by insurance during the event as required by the Road Traffic Acts, and will be required to sign a declaration to this effect. They will also be required to sign a declaration on their Entry Form and Signing On sheet indemnifying the organisers from liability.
