

# Scottish Malts Reliability Trial and Classic Car Tour 2003

## The Charity Shield Information and Entry Form (1 side)

There is a long and honourable tradition, supported by HERO, for charity fund raising on long distance motoring events. We hope that participants on the Scottish Malts will be no exception to this.

For this reason, we are awarding the Charity Shield to the crew raising the greatest sum for one or more registered charities in connection with their entry. During the last six years nearly £1,000,000 has been raised by participants on HERO events.

If you wish to enter for this trophy please complete this form and hand it in at signing on.
