

# Scottish Malts Reliability Trial 2003

## TEAM ENTRY FORM

**Marque Team:** please contact other drivers of the same make (and ideally same model of car), to form a one-make team

**National Team:** if there are three or more other crews of your nationality or permanently resident in your country, please contact them to form a National Team. This applies to English, Scottish, Welsh and Irish crews, as well as others.

**Club or ecurie team:** if there are entrants from your club, or a group of your friends, why not form a club or ecurie team? You may invent your own ecurie name for this purpose.

**Pre-War:** any three pre-war cars may form a pre-war team.

All team entries must be accompanied by the £60 team entry fee (£20 per car). Late team entries will be accepted at signing-on.
